I have read the above information carefully and have filled out this application honestly. This Pet will reside in my home as a pet. I will provide it with quality Pet food, plenty of fresh water, indoor shelter, affection, annual physical examination and vaccinations under the supervision of a licensed Veterinarian. I understand that omission of information and/or failure to answer all questions and sign the application can result in this application being declined. Also, if an omission or untruth is discovered after an adoption takes place, I understand that the Sarvoham Welfare Trust reserves the right to annul the adoption and reclaim the animal. I give the Sarvoham permission to fully investigate the information provided as well as contact veterinarians and related officials. If the application passes this review, I agree to a home visit on a mutually agreed date by a Sarvoham volunteer before an adoption decision is made.

In addition, I understand the adoption decision is dependent on many factors, including but not limited to the compatibility of the family and home to the individual animal, and other applications received on this animal. I understand it is the Sarvoham's prerogative to decide which home is most appropriate and that their decision is final, and therefore I will not argue with the decision. Unless otherwise indicated by the Sarvoham, I am free to apply and undergo the application process in the future.
